SONGS FROM THE OPERAS

In these volumes of *The Musicians Library* the editor has presented in chronological order the most famous arias from operas of every school. Beginning with songs from the earliest Italian productions, a comprehensive view of operatic development is given by well-chosen examples from German, French, and later Italian works, down to contemporary musical drama.

Each song or aria is given in its original key with the original text, and a faithful and singable English translation. Each volume contains an interesting preface by Mr. Krehbiel, with historic, de-
